

RAC CANADA DAY CONTEST – 2018 RESULTS

Bart Ritchie, VE5CPU and Sam Ferris, VE5SF

Once again, we celebrated Canada Day with our usual summer Canadian contest. Falling on a Sunday this year provided opportunities for even casual contesters to spend some time exchanging QSOs with folks in Canada and around the world. With over 550 participants it was one of the best ever turnouts in recent years despite the poor propagation conditions. Propagation was an even bigger challenge outside of North America, although comments from various regions in North America indicated challenges for some. For those that persevered through the poor propagation, our thanks for your support!

Despite challenging conditions, in terms of propagation, we have two new records set in the Canada Day Contest. Yuri Onipko, VE3DZ, sets a new record for SOABCW with a score of 268,992 making 1,264 QSOs and gathering 48 mults; and VA3RAC sets a new record for MOSTLP with a score of 454,256 making 955 QSOs and picking up 88 mults. Excellent job by both in this part of the solar cycle! With that bit of introduction, on with the detailed results!

Single Op All Bands High Power

Tom Haavisto, VE3CX, wins the SOABHP plaque sponsored by Radioworld with a score of 741,030. Victor Petcherkin, WQ500, moves to second place when compared to last year with a score of 573,000 and once again takes the Larry Kayser, VA3LK Memorial Plaque sponsored by Alan Goodacre, VE3HX, for the Top Scoring Single Operator's Foreign Entry – any authorized power. Mitch Mason, K7RL, repeats his performance from last year and takes third place with a score of 300,960.

A Few Statistics

Logs submitted	572

Saskatchewan Contest Club

RAC Canada Day Contest 2018 Plaque Winners

Single Operator All Bands High Power
Sponsored by Radioworld
Tom Haavisto, VE3CX, with a score of 741,030

Single Operator All Bands Low Power
Sponsored by Contest Club Ontario
Gabor Horvath, VE7JH, using the call XL75A, with a score of 258,216

Single Operator All Bands – QRP
Sponsored by Radioworld
Thomas J. Warren, K3TW with a score of 41,440

Single Operator All Band Any Authorized Power – Phone
Sponsored by Saskatchewan Contest Club
Gordon Hunter, VE6WZL, with a score of 81,950

Single Operator All Band Any Authorized Power – CW
Sponsored by the Maritime Contest Club
Yuri Onipko, VE3DZ, with a score of 268,992

Single Operator Single Band Any Authorized Power Level
Sponsored by Radioworld
Robert Nash, VE3KZ, with a score of 111,600

Multi-Operator Single Transmitter High Power
Sponsored by Alfa Radio
Gord Kosmenko, VE6SV, with a score of 667,602
Ops: VE6RST, VE6TL, KE5JA & VE6SV

Multi-Operator Single Transmitter Low Power
Tony Allsop, VE3FTA Memorial Sponsored by Mississauga ARC
VA3RAC run by Manitoulin Amateur Radio Club with a score of 454,256
Ops: VE3ZF, VA3FF, VE3AJB, VE3WVA, VE3LJM & VE3OUI

Multi-Operator Multi Transmitter Any Authorized Power Level
Sponsored by Radioworld
Ken Keeler, N6RO, with a score of 737,048
Ops: NA6O, K6DAJ, WX5S, W9KKN, N6RO & K3EST

Top Scoring Single Operator Foreign Entry
Larry Kayser, VA3LK Memorial sponsored by Alan Goodacre, VE3HX
Victor Petcherkin, WQ500, with a score of 573,000

Single Op All Bands Low Power

Gabor Horvath, VE7JH, using the call sign XL75A, piloted his station to another first place finish this year in the SOABLP category and takes the plaque sponsored by Contest Club Ontario with a score of 258,216. Doug Ferris, VA3DF, takes second place this year with a score of 205,086. Third place goes to Axel Bruderer, KI6RRN, generating a score of 174,652.

Single Op – QRP

For the fifth year in a row – an extraordinary rare run in our contest – Thomas J. Warren, K3TW, takes the first place plaque in the SOABQRP category sponsored by Radioworld with a score of 41,440. Congratulations Thomas! This is a change in sponsorship of this plaque and the contest team thanks Radioworld for their generous support of plaques for the RAC contests. Second place goes to another repeat winner, David Stephenson, VE3PGY, with a score of 27,608. Third place goes to Lawrence Appelbaum, AD0BI, with a score of 4,080 points.

Single Op All Band Phone

Gordon Hunter, VE6WZL, takes first place with a score of 81,950 capturing the SOABPH plaque sponsored by the Maritime Contest Club. Second place goes to the Monkey Lovers Radio Consortium, K6MMM, piloted by Rich Seifert, KE1B, with a score of 71,632. Tim Gregory, VA3TIC, rounds out third place with a score of 53,404.

Single Op All Band CW

Yuri Onipko, VE3DZ, takes first place and sets a new Canada Day record in this category with a score of 268,992 capturing the SOABCW plaque sponsored by the Maritime Contest Club. Second place goes to Victor Androsov, VA2WA, with a score of 247,204 with Steve Bolia, N8BJQ, rounding out third place with a score of 114,730.

Single Op Single Band

Given where we are in a sunspot cycle, 20 metres continues to be the main band for those in the SOSB category and again produced the top three scores in this category. Robert Nash, VE3KZ, takes first place, winning the SOSB plaque sponsored by Radioworld, with a score of 111,600. Bj Madsen, VE5FX, moves up to second place from his third place finish last year with a score of 44,798. Our top three rounds out with Don Fisher, VE3ESE, with a score of 33,072.

The complete listing on page 6 shows the band by band breakdown and power levels for those who like to keep track of that element of SOSB even though it is not an official part of the contest format.

Multi-Operator Single-Transmitter High Power

Gord Kosmenko, VE6SV, and the team takes first place in the MOSTHP category. They capture the Alfa Radio sponsored plaque with a score of 667,602. Ed Richardson, VE4EAR and his team takes second place with a score of 477,004. Guy Lemieux, VE2BWL, takes third place this year with a score of 302,430. It should be noted that some entries in this class are a single operator who is using one of the methods that make them assisted and hence fall into the multi-operator category.

Multi-Operator Single-Transmitter Low Power

Igor Slakva, VE3ZF and his team, using the VA3RAC call sign, takes first place this year with a score of 454,256 capturing the MOSTLP Tony Allsop, VE3FTA Memorial Plaque. The team also sets a new Canada Day record in this category. Marcel LeBlanc, VE9ML and the team using the VE9RAC call sign, takes second place with a score of 316,234. Third place this year goes to Dave Tucker, KA6BIM and team with a score of 247,904. It should be noted that some entries in this class are a single

There were no new single band records in 2018.

operator who is using one of the methods that make them assisted and hence fall into the multi-operator category.

Multi-Operator Multi-Transmitter

Ken Keeler, N6RO and the team takes first place this year in the MO-MT category, taking the plaque sponsored by Radioworld with a score of 737,048. The Calgary ARA, using the VE6RAC call sign, take second place with a score of 431,946. Our third-place finish goes to the Sask Alta Contesters group using the VE5RAC callsign with a score of 405,304.

Top Scoring Single operator – Foreign entry

As noted in the SOABHP results, Victor Petcherkin, WQ5OO wins the Larry Kayser, VA3LK Memorial Plaque sponsored by Alan Goodacre, VE3HX, for the Top Scoring Single Operator's Foreign Entry – any authorized power. This is the second year in a row that Victor has captured this award.

RAC CANADA DAY CONTEST 2019

The RAC Contest Managers look forward to the upcoming RAC Canada Day Contest which is scheduled for Monday, July 1 (UTC). We hope to see increased participation. Please join us as it is a great way to spend part of the Canada Day holiday!

The RAC website at <http://wp.rac.ca/contesting-results/> has all the contest rules and entry forms.

A Cabrillo-formatted electronic log submission really helps to manage the work to compile the contest results and we thank you for sending them to us. We encourage you all to check to make sure

all the pertinent information is correct in the Cabrillo headers. Not all of you are getting the correct entry classes entered in the header due to limitations in your software. Please make sure you are using the most current version available.

Although we encourage electronic logs, we will continue to accept paper logs for small entries (less than 100 contacts). If you are not submitting a Cabrillo log, we ask that you include a summary sheet providing the required information and, where possible, a breakdown of VE, RAC and DX contacts as well as the multiplier total. This will make compiling and checking of logs a bit easier and aids to a quicker turnaround of the results.

As a reminder, when submitting email entries, please make the subject line meaningful. Our preference is Call – Category – RAC Canada Day. For example: VE5CPU – SOABHP – RAC Canada Day.

The RAC Contest Management team continues to get the results out as quickly as possible with as much accuracy as we can. In the event we have let any errors in, please accept our apologies and be assured we will be happy to correct any problems that are identified and publish any updates on the RAC website.

A big thank you to everyone who participated in 2018! We hope you enjoyed the event! Good luck in the 2019 RAC Contests.

– 73, Bart, VE5CPU and Sam, VE3SF

Canadian National Parks On The Air: CNPOTA 2019

January 1 to December 31

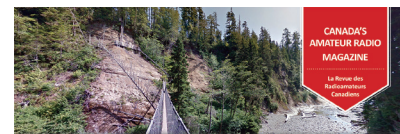

The Canadian National Parks on the Air event is being held from January 1 to December 31.

All Radio Amateurs worldwide now have an opportunity to operate from any of Canada's 48 National Parks and 171 National Historic Sites (these are 'activators').

Amateurs around the world are able to chase these adventurous operators in an effort to confirm the most QSOs (these are 'chasers').

Come join the fun and plan to visit one of Canada's beautiful Parks and Historic sites!

Visit <https://cnpota.ca/> for more information.

RAC Canada Day Contest 2018 Soapbox

AA8TA: Operated for a few hours. Many ON stations, a few QC but not many others heard. Lots of US calls, too. Fun. Enjoy your celebration. Titan, 16 feet AGL

AD0BI: Happy Canada Day, neighbors! Portable in Warren County, MO.

CF2CKB: Please note that the operators were: Michel Gilbert, VA2RF, Mario Veilleux, VE2MAR, Pierre Morissette, VE2PMJ and Edouard Morissette, VE2EMJ

G3LHJ: Condxs very poor. Sorry it's a small log this time.

JH0ROS/1: I enjoyed the contest.

K1EEE: Canadian OPS are excellent

K1MTD: It's always fun to work Canadian hams and to wish everyone a Happy Canada Day!

VE3-K2NV: Operated from our boat at Queen City Yacht Club on the Toronto Islands.

K3TW: Many thanks for another enjoyable RAC Canada Day Contest. It's always a pleasure to work some many Canadian stations in just 24 hours. 73 and Happy Canada Day!

KB1OIQ: This was my first time in this contest. It was a lot of fun! I heard all of the provinces/territories and only missed 2 of them. 73 de Andy KB1OIQ.

KD6WKY: Not as much activity as I had hoped for. Perhaps the KH1/KH7Z DXpedition was a bigger draw.

KE0TT: K3/10 at 5 watts to a pair of dipoles up 45-feet fed with ladder lines and tuners. Thanks for the fun ! 73, Dan KF3G: Portable QTH – FM29jwl enjoy the Canada Day Event; thank you for providing it.

KM4HVE: Contact with bonus station KY4XX N4NJA = 500 bonus points.

KM4IAJ: Would like to have heard northern stations on the air.

N1NN: 12th Canada Day Contest.

N4BP: 2018 RAC Canada Day.

N7MU: First time for me – was fun.

VA3CME: Wire Dipole on 15th floor balcony.

VA3IX: One of my favourites.

VA3RKM: Good conditions mostly and good participation.

VA3TPV: Happy Canada Day!

VA7UNX: Thanks for a fun contest!

VE3DC: We really enjoy the Canada Contest at VE3DC. There seemed to be more Operators in the contest this year, probably because of the extreme heat, maybe more operators were inside staying cool. We have to thank everyone who made this contest happen, our operators, the many Canadian contacts and especially the hams to the South of the border, some of them not even in the contest but many who worked us with a large serial number, meaning they were operating in our Canada Day Contest. Thanks again to all. 73 Rick, VE3BK.

VE3DMR: Another good one!! Thanks for all the work you do to keep it going.

VE3KQN: I was just going to dabble in the contest but one thing led to another and before long I had enough stations worked to justify putting in a report.

VE3MAH: Very interesting propagation.

VE3RXH: Sad that I had an SWR warning after just one QSO. I'll try again next year.

VE3UTT: Conditions were rough. Entry categories need to be revamped. 10-minute rule is ridiculous for an assisted category.

VE3ZY: Fewer mults but more QSOs than previous years; logging program seems to have messed up scoring.

VE4CEM: Second year in a row participating! Propagation in MB was terrible forcing me to nervously operate CW for the first time in a contest. Huge thanks to all the CW operators for all their help and patience! A truly memorable experience! Happy Canada Day!

VE6KD: Poor Noise Bands but still fun.

VE6RH: I enjoyed it again this year!

VE6ZC: Operated portable from Beauvais Lake Provincial Park.

VE7JKZ: Very poor propagation. It will get better, won't it?

VE7NA: We had a lot of fun participating in this contest again. 73, Gerry.

VE9RLW: SO-SB, high QRN (S-7) on 80m. Only made 4 QSOs with my H/V antennas.

VE9VIC: I had fun even with bands condition being not very good, it would be more fun and easier if station in the state could end their state abbreviation instead of a serial number, not always easy to pick up the number with QRM/QRN and bands conditions. For DX station a serial number is fine. 73.

VY1KX: As always it was a pleasure to participate in the RAC Canada Day Contest.

VY2DM: First time QRP 5W.

W0BF: Propagation really poor for me in AZ. Limited myself to just work VEs and not many of those heard! My first Canada Day apparently ? Also chased 13 colonies stations which caused more QRM??!!

W1END: Rig was FTdx5000 and Butternut vertical. Thought I would just work VEs this year. Some fun! Happy Canada Day.

W1QK: Thank you for sponsoring the contest.

W2SRH: First time entering the contest, and first contest I've done in a long time. Had a lot of fun with it, thanks! W2UDT.

W3TB: QTH is Virginia.

W8KNO: My wife had been house-bound for seven weeks, except for doctor visits until today. She and a girl friend went to the casino and I made twenty-one!

W9RE: Nice activity. Thanks for the multitude of Canadians operating!

WA2VYA: Operated from Texas home QTH. Call district W5.

WA7NWL: Good contest! Thanks to all for the contacts, and to sponsors for making it happen. 73, John, WA7NWL.

WQ6X: Happy Birthday Canada! This is another ad-hoc WQ6X remote operation of Station #1 @ NX6T in Fallbrook. ("Nashville") To make things easy, the amplifier was set to 1300 watts and the antennas pointed more-or-less north to northeast. I was pleasantly overwhelmed by the actual number of VE8, VE9, VY1 & VO stations on the air this weekend. Where are these stations during Sweepstakes and the IARU GiGs? I ran Station #1 @ NX6T (an Elecraft K3 into an ACOM 2000a at about 1300 watts). Available antennas included a C-31 Yagi and a 2-el shorty 40, plus inverted Vees for 80 and 160 – antennas all 13mh. Poor air conditioning required I run the last 3 hours at about 550 watts. For the most part I don't think anyone noticed the 5 db difference. Look for a writeup about this event in my WQ6X Contest Blog Entry: <http://WQ6X.Blogspot.com>
